The sizes listed above are about as large as should be shipped bare root. Larger sizes should be dug with ball of earth (B&B) and will dig these and have a good selection at the Nursery or our Sales Yard during the Planting Seasons.

Always dig your holes large enough. Use well rotted manure, humus, woods earth or good garden soil. Water freely when planting and water thoroughly once each week for a few weeks after planting for best results. Commercial fertilizer, bone meal, nitrate of soda etc. should be dissolved in water before applying.

GROUP No. 11 — SPECIMENS SPECIAL

9 Extra Nice Evergreens.....\$10.00
3 Stricta (Spiny Creek Junipers) 12 to 15 in.; 3 Upright Yews (Taxus) 12 to 15 in.; 3 Globe Arbor Vitaes 12 to 15 in. size.

When ordering Special Groups we will ship listed items or another variety of equal value. If you prefer any one kind, mention a substitute in case we are sold out of your choice.

EVERGREEN SHRUBS

Mixed plantings are far more interesting using the Evergreens for all year effects and planting of shrubs for blooms and coloring effects.

When planting Shrubs with Evergreens it is wise to choose the right kinds so that they grow together and do not crowd each other too much. Azaleas are very colorful and do not grow too fast and can be planted with slow growing Evergreens.

AZALEA MOLLIS

Flame Colors

2 to 5 in. size, 2 yr.....	15 for \$2.00
5 to 10 in. size, 3 yr.....	7 for \$2.00
10 to 12 in. size, 4 yr.....	3 for \$2.00
12 to 15 in. size, 5 yr.....	3 for \$5.00

Well rooted and easy to transplant.

EVERGREEN AZALEAS

Red Shades Brilliant

Macronitum, Hinidigiri, Kaempferi Hybrids.
Grow well in shade or foundation planting.

4 to 6 in. size.....	7 for \$2.00
6 to 12 in. size.....	3 for \$2.00
12 to 15 in. size.....	3 for \$4.00

KALMIA LATIFOLIA MT. LAUREL

Very desirable for foundation plantings.

8 to 12 in. size, bushy.....	3 for \$2.00
------------------------------	--------------

EUONYMUS

Evergreen Shrubs and Vines

Patens Upright, 1 yr., 6 to 10 in.....	7 for \$2.00
Jap. Big Leaf, 1 yr., 6 to 10 in.....	7 for \$2.00
Vines—small green leaf, variagated, or large leaf, 2 yr., 8 to 12 in.....	7 for \$2.00

Can supply some of the upright as well

as some vines 3 and 4 yr. size.....	3 for \$2.00
-------------------------------------	--------------

PYRACANTHA COCCINEA LALNDI

Firethorn Evergreen Shrub. Hardy to 36 degrees below zero. Brilliant red berries, thorns. Ideal specimen or hedge. Grows about as fast as Jap Barberry, shears well.

We have developed a very hardy strain of this delightful shrub and we ask you to plant a few plants as berries keep well.

4 to 8 inch size.....	7 for \$2.00
8 to 12 inch size, potted.....	3 for \$2.00
12 to 15 inch size.....	3 for \$4.00

We can supply large plants but must be dug with ball of earth (B&B).

LEUCOTHOE CATESBAE

(Drooping Leucothoe)

8 to 12 inch Transplants.....	3 for \$5.00
-------------------------------	--------------

HOLLY (Ilex)

Burfordi Dwarf Berry-Bearing

8 to 12 inch Transplants.....	3 for \$5.00
-------------------------------	--------------

GROUP No. 12**EVERGREEN SHRUB SPECIAL 12 INCH**

7 Assorted Hardy Evergreen Shrubs.....	\$10.00
--	---------

Ilex Glabra, Abelia Grandiflora, Mahonia Ilex Opaca, Boxwood, Pyracantha, Euonymus.

All this group have distinctive as well as beautiful characteristics. Plant with Evergreens or as a group.

GROUP No. 13**EVERGREEN SHRUBS, 1 yr., 6 to 10 inch**

7 Evergreen Shrub Transplants.....	\$2.00
------------------------------------	--------

Euonymus, Abelia, Ilex Crenata, Pyracantha.

Plant Evergreen Shrubs in woods earth, humus, old sawdust, or well rotted manure. Keep soil a little to acid, water freely when planting mulch with humus. Severe winters often kill plants back but they revive with early Spring and remain beautiful, holding their berries most of the winter.

HOLLY ILEX OPACA

Native Holly

12 inch Holly Trees.....	3 for \$5.00
--------------------------	--------------

BERBERRIS EVERGREEN BARBERRY

6 to 10 inch size.....	7 for \$2.00
------------------------	--------------

Attractive leathery holly like leaves.

RHODODENDRONS

Evergreen Shrubs that add beauty to your landscape picture.

Maximum Pinkish White

3 Transplants, 6 to 12 inch.....\$2.00

RHODODENDRON HYBRIDS

Reds and Purples

3 Transplants, 4 to 8 inches.....\$2.00

3 Transplants, 8 to 12 inches.....\$5.00

During the planting seasons we offer larger Rhododendrons moderately priced dug with ball of earth (B&B).

The sizes of Evergreen Shrubs listed above can be mailed during September, October and November for the Fall season and April, May and June for the Spring season.

Larger plants dug with ball of earth (B&B) available during planting time. If possible come and select your plants.

Evergreen Shrubs grow well in both sun and shade but do not like too much wind. A little protection keeps them beautiful. A light covering of mulch of humus saves the cultivation or weeding.

PACHASANDRA TERMINALIS

(Jap. Spurge)

Evergreen hardy ground cover.

25 Transplants, well rooted.....\$2.00

Plant in Humus or well-rotted manure.

VINCA MINOR

(Myrtle)

Evergreen creeping ground cover.

25 Transplants, well rooted.....\$2.00

100 for \$6.00 or 1000 for \$50.00

Climbing Rose, 2 to 3 yr.....3 for \$2.00

Red, White, Pink, Yellow

Deciduous plants can be shipped in Fall after October 15th until the ground freezes too hard for digging, then as early in the Spring as March, continuing through June. We generally heal in a lot of the Deciduous stock, conditioning this stock and making it possible to move or transplant Deciduous plants almost any time the ground is not frozen too hard.

VINES have their place in your home grounds and we offer the following hardy Vines:

AMPELOPSIS

(Veitchi) Boston Ivy clings to masonry walls.

Pot Plants, easy to plant.....75c ea.; 3 for \$2.00

POLYGONUM AUBERTI

(Fleece Vine) White, fast growing. For trellices, fences, etc.

Pot Plants, easy to plant.....75c ea.; 3 for \$2.00

HEDERA

(English Ivy) Hardy Evergreen for walls or ground cover or inside house.

Pot Plants, 4 in one Pot.....75c ea.; 3 for \$2.00
